✓ Comments: [6] VIKTOR: probably Lt.-General P. V. FITIN.

[ii] Aleksaj Dorojevich VOJNA was in Sweden from 1938 until 23rd December 1941 as an Attaché and a) Counsellor at the Soviet Legation in STOCKHOLM from 1938 to 1941.

[iii] The use of inverted commas round this name suggests that it is a covername, but it seems at least possible that the person under reference is Vsehajl Sergeevich VETROV, who was Counsellor at the Soviet Legation in STOCKHOLM from 31st May 1941 until 14th July 1944.

[iv] VALERIAN: Vsevily Tikhonov DAZH. 15th Dec. 1941
